Thank you! Do not drive trailers in or out of East road! Culvert is not wide enough!! **Horse water provided on the trail.** If you have a problem, watch for outriders in ORANGE VESTS, or ask around- or call. Do not leave trail unless outrider directs you to a trailer. If you encounter Ground Bees, Ride fast 200 yds before stopping... Trail is well marked with "HORSE" signs and DIAMONDS ON TREES & RED RIBBONS. Mounting block and port-a-potties at lunch. I got a complaint one time about all the "NO" rules. Each one comes from experience!

Passing lanes: slower horses to one side, faster horses to the other side. THESE ARE NOT SHORTCUTS! They will prevent bottlenecking if you observe them. Do you walk or trot slowly? Your horse is a slower horse. Do you move out at canter/fast-trot/gaited? Then your horse is a faster horse.

PLEASE STAY OFF CROPS-The ride is on private land, so anyone you see is likely to be the landowner....PLEASE SAY HELLO ! The entire ride is on privately owned property please be courteous and appreciative to any people you see. **Some woods trails are new...watch for holes!**

ON THE BEACH: **DO NOT RIDE ON GRASS OR DUNES!** Do NOT tie horses to trees on the beach: WE WILL LOSE THE RIGHT TO RIDE ON THE BEACH IF ANYONE RIDES ABOVE THE SANDY BEACH! FOR THOSE INTERESTED IN HAVING PROFESSIONAL PHOTOGRAPHS TAKEN

- There will be a photographer on the beach on Saturday only.
- * Pictures taken will be displayed on TV during dinner for your enjoyment.
- * Photographs can be purchased between 5PM and 8PM Saturday evening for pickup Sunday morning between 7-9AM.
- Photographs may also be purchased online at <https://aktpics.net/eastern-shore-trail-ride/> at any time AFTER Monday.

* Depending on weather and tides.

For best results:

- **CHECK THE TIME** Photos will be time stamped to make them easier to find.
- **GET OUT OF THE PACK** Picking you out of a crowd *can be impossible* and there is no guarantee your picture will be taken. Group shots are great, just let the photographer know.
- **MAKE A SPLASH!** Running in front of me or towards me in the water makes for some great photos! Getting thrown in the water will too, but I'm not allowed to encourage that.
- **NOT TOO CLOSE. NOT TOO FAR.** (25-100 yds) If you are too close I won't be able to get all of you and your beautiful horse. Too far and, you know...
- **HAM IT UP!** Being a ham is encouraged, for today only.
- **HAVE FUN!** That's why we're here. Be safe too.
